This camp for boys was created to answer the demand from the OBX tourists to add lacrosse opportunities while on vacation. It is an evening camp because we didn't want to disturb the beach time families usually spend together during the day. We believe that these sessions give middle school and high school lacrosse players the extra knowledge, skills, and reps it takes to be great.

Campers are responsible for their own housing and are required to bring all necessary equipment.

\$50 non-refundable deposit required.
